

VIRTUAL LEADERSHIP TRAINING

Are you fully utilizing the potential of working virtually?

Are you fully satisfied with the performance of your virtual team?

Do you belong to the group of people who have understood that having the right technology to work virtually is necessary but not sufficient? Leading virtually requires different competences and skills, compared to leading face-to-face.

Our **Virtual Leadership Training** covers aspects such as:

- ✓ Establishing and maintaining **trust remotely**
- ✓ Maintaining **visibility and presence** while remote
- ✓ Strengthening and nurturing **team spirit**
- ✓ **Influencing virtually** without formal authority
- ✓ **Managing performance** virtually
- ✓ Leading and contributing to **effective virtual meetings**
- ✓ Working with **cross-functional & cross-cultural teams virtually**
- ✓ **Maximizing personal impact** virtually

Our Approach

Highly practical and tailored to the participants' needs.

BENEFITS TO YOU:

- Acquired knowledge can be applied immediately.
- Address your existing challenges and find real solutions.
- Team performance and team spirit improve short-term after the training
- Specific and practical know-how is provided by our accompanying videos. These are also available after the training.
- All sessions are delivered virtually and scheduled according to your needs - making it relevant, time efficient and cost effective.
- Conveniently accessible from the privacy of your office, home or while traveling from a hotel.

The training can be performed either with an intact team (leader and team members) or with a group of leaders leading virtual teams in different parts of the organization.
